

# Utilities Inc. of Georgia

## NOTICE OF YOUR WATER QUALITY REPORT

We are pleased to inform you that the 2020 Annual Water Quality Report is now available. This report contains important information about the source and quality of your drinking water. The Report is a snapshot of last year's water quality for the water system that serves your home. This report is designed to inform you of the quality of water we delivered to you over the past year. Our goal is to provide you a safe and dependable supply of drinking water.

**Please go to [www.myutility.us/GA/CCR20/438.PDF](http://www.myutility.us/GA/CCR20/438.PDF) to view the Report and learn more about your drinking water.**

**If you do not have internet access and would like a paper copy of your Report, please call (888) 527-9707. If you have access to email, you may contact us at [customerservice@uigeorgia.com](mailto:customerservice@uigeorgia.com) and a copy of your report will be provided within 7 days.**

We are committed to providing safe, reliable, and cost-effective service to our customers; a safe, challenging, and enjoyable work environment for our employees; and a fair return for our shareholders, all with the underlying commitment to act with integrity, protect the environment, and enhance the communities we serve.

The result of that commitment is a team of water quality experts who make it their job to see that our customers are our top priority and to provide you with the highest quality drinking water and service now and in the years to come.

For a translation of the water quality report or to speak with someone about the report please call (888) 527-9707.
